English Disclaimer

These are the first nine chapters of the book, whose English title would be "*Posthumous Memoirs of Brás Cubas*", originally written in Portuguese by Machado de Assis in 1880. The text is in the public domain and can be read in full online. For this excerpt, a version with contemporary Portuguese¹ and also one with original spelling² were used for comparison; this exact excerpt of nine chapters can be read freely in English³ also.
